FIVE NEW THINGS TO TRY AT ANCESTRY.COM
RootsTech 2012

The Barefoot Genealogist aka Crista Cowan (ccowan@ancestry.com), Community Alliance Manager
Ancestry Anne aka Anne Gillespie Mitchell (amitchell@ancestry.com), Product Manager

From helpful tools to must-search record collections, we'll demo our top five recent latest additions to Ancestry.com AND tell you where to find them, how to use them plus answer your questions about how to get the most from each. Five isn't enough for you? Then you're in luck: we've never been good at limiting ourselves either so expect a few bonus newbies, too.

We can't give you lots of details yet, but here are the areas we are going to cover and some space for notes

1. What's new in Content

2. Some new Tricks to Try with Searches

3. Ancestry.com on the Go, what to do when you don't have your computer
4. Family Tree Maker Secrets

5. Online Family Trees
