

**MOHAMED KESHK**  
**CO-FOUNDER OF SEMANTIC BPMN, LLC**

Mohamed Keshk helped found Semantic BPMN, LLC as a venture to bring semantic technologies to business process modeling and achieve the full promise of the BPMN 2.0 specification. He was a Senior BPMN SME and Chief Model Ontologist for the Process Modeling and Design Center (PMDC) for the Department of Veterans Affairs. Mr. Keshk's affiliations include membership in the Financial Industries Business Ontology (FIBO) Working Group through the Enterprise Data Management Council (EDMC) and a member of the Object Management Group (OMG).
